Deal unpopular, still leads opponents

Raleigh, N.C. – -PPP continues to find Nathan Deal with pretty mediocre approval numbers. Only 36% of voters approve of him to 41% who disapprove. That's nearly identical to the 37/40 spread we found for him in early December. Nevertheless Deal looks like a favorite for reelection. He would lead Jason Carter 46/38 and John Barrow and Kasim Reed 48/38 in hypothetical match ups. This may be a situation where Deal's unpopularity would let a strong Democratic candidate make the race competitive, but it would be hard for a challenger to actually get to 50%.

“Nathan Deal isn't very popular,” said Dean Debnam, President of Public Policy Polling. “But the Republican lean of the state makes him a favorite for reelection anyway.”

Our newest look at Saxby Chambliss' approval numbers probably confirms that he made the right choice by deciding to retire. Only 47% of Republicans are happy with the job he's doing to 31% who disapprove. It's hard to fight off a serious primary challenge when your numbers are under 50% in your party. Chambliss' overall approval is 35/41. Georgians aren't real big on any of their politicians- Johnny Isakson comes in at 37/39 and Barack Obama's at 45/53 in the state.

The Falcons aren't making much progress in the court of public opinion about their need for a new stadium. In December only 15% of voters thought they needed one and after scads of press coverage in the last couple months that's only gone up to 20%. There's only 17% support for any taxpayer funding for a new stadium with 69% of voters opposed to it.

As mentioned above, Georgians don't like Barack Obama. They do like the NRA- it has a 46/38 favorability rating in the state. Nevertheless by a 51/40 margin voters in the state think Congress should pass stricter gun laws. And there's 49/44 support on the issue of an assault weapons ban in particular. This is the new reality in the post-Newtown era- there are voters who don't like Obama and like the NRA and still think stronger gun laws and an assault weapons ban is necessary, even in red states. It's been over two months now and we're not seeing these numbers move.

PPP surveyed 602 Georgia voters from February 15th to 18th. The margin of error for the overall sample is +/-4.0%. This poll was not paid for or authorized by any campaign or political organization.
