Forest new GOP frontrunner vs. rejuvenated Hagan

Raleigh, N.C. – Another month, another “frontrunner.” Throwing new Lt. Gov. Dan Forest into the mix for the first time, PPP finds that he is Republicans’ preference for Kay Hagan’s opponent next year. Last month, it was longtime Labor Commissioner Cherie Berry, and before that, U.S. Rep. Virginia Foxx. But one thing remains clear: Hagan has large early leads over her mostly unknown potential challengers. And she now looks stronger than before, moving from 45-49% of the vote in last month’s poll to 49-52% now.

Forest has 18% of usual GOP primary voters’ support, over 13% for Foxx, 12% for Berry, 10% for U.S. Rep. Renee Ellmers, 8% for Senate Pro Tem Phil Berger, 7% for U.S. Rep. Patrick McHenry, 4% for Greg Brannon, 2% for Speaker Thom Tillis, and 1% for Terry Embler. The real leader is the 24% who are not yet sure or favor someone else.

In February, Berry led with 18% over Foxx’s 16%, and the month before that, Foxx was up with 21% over McHenry’s 15%. Introducing the somewhat well-known Berry and then Forest has eaten into support for the lesser-known far-right candidates, but Ellmers has remained at 10-11% in all three polls.

In the general election, Hagan now has leads of ten to 19 points over these Republicans, improving almost four points on average from advantages of five to 15 points in February. She leads 49-39 over McHenry (45-40 last month), 50-40 over Forest, 49-37 over Foxx (48-38), 50-38 over Berry (46-38), 49-36 over Ellmers (47-38), 50-36 over Tillis (46-38), 51-37 over Berger (49-38), 51-36 over Brannon (48-35), and 52-33 over Embler (48-33).

“The fact that we’ve found someone different leading the Republican Senate field three months in a row shows how wide open the race is,” said Dean Debnam, President of Public Policy Polling. “At any rate Kay Hagan has a sizable lead over all of them right now.”

PPP surveyed 611 North Carolina voters, including an oversample of 530 usual Republican primary voters, from March 7th to 10th. The margin of error for the overall survey is +/-4.0%, and +/-4.3% for the GOP portion. This poll was not paid for or authorized by any campaign or political organization. PPP surveys are conducted through automated telephone interviews.

North Carolina Survey Results

Q1 Do you approve or disapprove of Senator Kay Hagan's job performance?

Approve42% *Not sure*19%
Disapprove.....39%

Q2 Do you have a favorable or unfavorable opinion of Phil Berger?
