Begich Leads Challengers in Re-Election Bid

Raleigh, N.C. – The latest PPP poll has Senator Mark Begich leading each of his prospective Republican challengers in his bid to be reelected to the U.S. Senate. Begich leads Dan Sullivan 43/37, Mead Treadwell 42/37 and Joe Miller 45/32. In these matchups, 11-12% of voters are still undecided. Voters are closely divided on Begich’s job performance with 43% of voters approving of his job performance and 44% disapproving. Begich does particularly well with women in the state. Among women voters he leads Sullivan by 14 points, 47/33, Treadwell by 15 points 46/31, and Miller by 20 points, 48/28.

The Republican primary race has tightened some over the last three months, but Dan Sullivan maintains the lead with 35% to 29% for Mead Treadwell and 20% for Joe Miller. Treadwell has cut Sullivan’s lead by 8 points compared to May when the race stood at 40/26.

“Our polling for the likely Mark Begich/Dan Sullivan general election contest has been remarkably consistent,” said Dean Debnam, President of Public Policy Polling. “Begich has held a lead in the 4-7 point range on all four polls we’ve done over the last year.”

In the race for Governor incumbent Sean Parnell looks to be safe, leading Democrat Byron Mallott and Independent Bill Walker 37/22/20. Both challengers appear to be suffering from a lack of name recognition. More than half the electorate, 58%, are unsure of what they think of Mallott. Walker faces a similar battle, with 49% of voters having no opinion about him.

The tightest race on the ballot this year in Alaska could be on the August primary ballot where voters will decide whether or not to repeal SB 21. This measure is tied at 42% yes and 42% no while 16% of the electorate is still undecided. The fate of this measure may rest on which party’s voters show up on Election Day. Democrats support the repeal 65/22 but Republicans oppose it by nearly the same margin, 63/23.

PPP surveyed 673 Alaska voters, including 337 Republican primary voters, from July 31st to August 3rd. The margin of error for the overall sample is +/-3.8% and for the Republicans it’s +/-5.3%. 80% of interviews for the poll were conducted over the phone with 20% interviewed over the internet to reach respondents who don’t have landline telephones.
