Clinton behind Cruz, other potential Republican opponents in WV

Raleigh, N.C. – In head-to-head match-ups for president, Hillary Clinton trails Republicans Jeb Bush, Chris Christie, Ted Cruz, Rand Paul, and Paul Ryan by margins of three to 14 points. She comes closest to Cruz, who is leading the campaign to shut down the government unless President Barack Obama’s Affordable Care Act is defunded. Among women, Clinton beat Cruz 45-37.

West Virginians are divided about the shutdown. 40% support it and 37% oppose it. Nearly half of respondents support impeaching Obama, including 38% of Democrats. Democratic leaders fared a bit better. Gov. Earl Ray Tomblin has 47% approval, Sen. Jay Rockefeller has 45%, and Sen. Joe Manchin has 46%, but they have disapproval numbers of 35%, 46%, and 44% respectively.

“The fact that only 40% of voters in West Virginia favor a government shutdown over Obamacare even though voters in the state want to impeach Obama says something about how much support there is for that concept,” said Dean Debnam, President of Public Policy Polling. “It just doesn’t have that much traction with the public.”

67% support requiring background checks for all gun sales, including 79% of women. A third of respondents say they were more likely to vote for Manchin because he supported background checks, while 29% said this made them less likely to support him.

49% of voters support either same-sex marriage or civil unions, while 48% don’t support any legal recognition. 68% said discrimination in employment and housing based on sexual orientation or gender identity should not be allowed. 16% said it should.

West Virginians prefer the Hatfields to the McCoys, 21% and 9% respectively, but 70% were not sure. 25% of respondents have a favorable opinion of Massachusetts, with higher support among Democrats and 18-29-year-old voters, while 23% said unfavorable and 52% were not sure. Dana Holgorsen has 18% favorability, Rich Rodriguez has 11% favorability, and Bob Huggins has 45% favorability.

PPP surveyed 1,110 West Virginia voters between September 19-22, 2013. The margin of error for the survey is +/- 2.9%. This poll was not authorized or paid for by any campaign or political organization. PPP’s surveys are conducted through automated telephone interviews.
