### **Races for Governor, Senate Remain Close in Colorado**

**Raleigh, N.C.** – PPP's newest Colorado poll finds very close races for both Governor and the Senate. Cory Gardner is up 46/43 on Mark Udall in the Senate race, while John Hickenlooper has a 45/44 advantage over Bob Beauprez in the Governor's race.

Both Democrats are doing well with the groups Democrats tend to do well with in Colorado. Hickenlooper is up 49/39 with women, 60/28 with Hispanics, and 59/31 with young voters. Udall is similarly ahead 46/42 with women, 64/24 with Hispanics, and 59/22 with young voters. The problem for the Democrats is that they are down by significant margins with men- Hickenlooper trails by 10 points, Udall by 11 points- with white voters- Hickenlooper trails by 5 points, Udall by 12 points, and with seniors- Hickenlooper trails by 9 points, Udall by 13 points. The struggles with those groups are largely offsetting their strength with their traditional constituencies.

Udall continues to struggle with his approval numbers, as only 37% of voters think he's doing a good job to 52% who disapprove. Hickenlooper's approval is under water as well, with 43% of voters approving of him and 49% disapproving. Both Republican candidates have narrowly positive favorability ratings- Gardner comes in at 45/42 and Beauprez at 41/39.

“Republicans have a chance for their first big statewide victories in Colorado in a decade because they’re running up the score with the groups they need to do well with- men, white voters, and seniors,” said Dean Debnam, President of Public Policy Polling. “If they can continue that it will offset their difficulties with women, Hispanics, and young voters.”

Further down the ticket the closest race is for Treasurer, where incumbent Republican Walker Stapleton leads Democratic challenger Betsy Markey 42/40. Stapleton's lead had been 10 points when we last polled the state in July. Republicans have larger leads in the other down ballot races- Wayne Williams is up 36/31 on Joe Neguse for Secretary of State and Cynthia Coffman has a 46/32 advantage over Don Quick for Attorney General.

PPP surveyed 778 likely voters from October 16<sup>th</sup> to 19<sup>th</sup>. The margin of error for the survey is +/- 3.5%. 80% of interviews for the poll were conducted over the phone with 20% interviewed over the internet to reach respondents who don't have landline telephones.
