Sen. Brown holds steady, Kasich already in trouble

Raleigh, N.C. – Despite steady increases in name recognition for Republican challenger Josh Mandel, incumbent Democratic Sen. Sherrod Brown continues to hold onto a modest lead in his first re-election bid.

Brown's lead has dipped 1 point to 7 points (46-39) since mid-May, despite an 8-point increase in name recognition for Mandel during that same period. Name recognition for Mandel, current state treasurer, is at 63%, up from 39% in February and 55% in mid-May, when the last statewide Senate election poll was conducted. Mandel's name is more recognized, but not more popular. Mandel's unfavorability rating has increased 9 points since May and his favorability rating has fallen 1 point since May.

Independents support Brown over Mandel 43-34. Voters over 65, typically a conservative-leaning demographic, support Brown over Mandel 45-36. Mandel wins just one age group, voters 30 to 45. Brown has overwhelming support from young voters (age 18 to 29), 50-29.

“The negativity in the Ohio Senate race is driving up the unfavorables of both candidates,” said Dean Debnam, President of Public Policy Polling. “But it's not having much impact on the overall horse race- Sherrod Brown continues to the lead the contest by a healthy margin.”

Republican Gov. John Kasich, who had a 38% approval rating among Ohio voters in May, is already seeing his 2014 re-election bid in jeopardy. Four out of 5 potential Democratic challengers are within single digits of Kasich, and 2 of those 5 are within 2 points.

Despite having 38% name recognition in the state, Richard Cordray, former state attorney general and current director of the U.S. Consumer Financial Protection Bureau, trails Kasich by just 1 point, 40-41. Former Democratic Gov. Ted Strickland, who was ousted by Kasich in 2010, is a close second with a 2-point deficit to Kasich, 42-44. Strickland's favorability rating (40%) is higher than Kasich's approval rating (38%).

PPP surveyed 673 Ohio voters from June 21st to June 24th. The margin of error for the survey is +/-3.8%. This poll was not paid for or authorized by any campaign or political organization. PPP surveys are conducted through automated telephone interviews.

Ohio Survey Results

Q1 Do you approve or disapprove of Senator Sherrod Brown's job performance?

Approve38% *Not sure*19%
Disapprove.....42%

Q2 Do you have a favorable or unfavorable opinion of Josh Mandel?
