Obama slips in MA, still leads Republicans by double digits

Raleigh, N.C. – President Obama is slipping even in perhaps the bluest state in the country, but it is so blue that he still leads all but the Bay State’s former governor Mitt Romney by similar margins to his 26-point victory over John McCain in 2008.

When PPP last polled Massachusetts in June, Obama led Romney by 20 points, but that is down to 13 now, at 53-40. However, against the GOP frontrunner, Rick Perry, Obama leads by 26 (58-32). Ron Paul actually does a point better, trailing by 25 (55-30). Newt Gingrich is down 27 (58-31), and Michele Bachmann by 31 (59-28).

While Obama leads the other Republicans by 12 to 20 points with independents, Romney beats him by four. They are a 45% plurality of the electorate. The other big key is Romney’s crossover support; he poaches 14% of Democrats, while the others can only muster 8-10%. Democrats are 40% of voters. Romney also does by far the best job at locking up the GOP base, with 91% of their vote, versus the 67-77% the others earn.

Each of the Republicans but Romney is seen favorably by only 21% or 22% of voters, with 61% to 67% seeing them unfavorably. Romney, however, stands at 41-53. The president is still better liked, with 49% approving of his performance and 45% disapproving. But that is down drastically from June’s 58-37. His disapproval with Democrats is up to 20% and approval down to 74% because he has slipped with the most liberal voters from 91-8 to 78-19, and with the center-left from 90-7 to 82-11, and with the plurality moderates from 55-34 to 43-50. Together, these groups make up 73% of the state’s electorate.

“Barack Obama doesn’t need to worry about losing Massachusetts even if he draws Mitt Romney,” said Dean Debnam, President of Public Policy Polling. “But the fact that his approval is below 50% there in one of the bluest states in the country is pretty symbolic of his broader issues right now.”

PPP surveyed 791 Massachusetts voters from September 16th to 18th. The margin of error for the survey is +/-3.5%. This poll was not paid for or authorized by any campaign or political organization. PPP surveys are conducted through automated telephone interviews. PPP is a Democratic polling company, but polling expert Nate Silver of the *New York Times* found that its surveys in 2010 actually exhibited a slight bias toward Republican candidates.

Massachusetts Survey Results

Q1 Do you approve or disapprove of President Barack Obama's job performance?

Approve 49%
Disapprove..... 45%
Not sure 6%

Q2 Do you have a favorable or unfavorable opinion of Michele Bachmann?

Favorable..... 22%
Unfavorable 63%
Not sure 14%
