OF THE PRESS RELEASE**

Dayton leads potential opponents for reelection

Raleigh, N.C.-PPP's newest Minnesota poll finds Governor Mark Dayton with a 49% approval rating to 47% disapproval and 4% not sure. Potential Republican challenger Kurt Daudt has a 6% approval rating to 15% disapproval. Tom Emmer elicits positive ratings from 20% of voters and negative ones from 37%. David Hann has a 4% favorable rating and 16% unfavorable rating. Scott Honour has a 3% favorability rating to 11% unfavorable. Jeff Johnson has a positive rating of 6% and negative rating of 13%. Julie Rosen has ratings of 9% favorable and 13% unfavorable. Dave Thompson's favorability rating is 8% and a 13% unfavorable rating. 10% like Kurt Zellers, and 25% have a negative opinion of him.

Governor Dayton would beat Kurt Daudt 51% to 39%. Dayton leads Tom Emmer 52% to 39%. He has a 51% to 36% advantage over David Hann. Dayton leads Scott Honour 52%-34%. He also has Jeff Johnson by 52%-34%. Voters favor Dayton over Julie Rosen 51%-34%. Dayton leads Dave Thompson 51%-35%. He leads Kurt Zellers 53%-35%.

"Mark Dayton's approval numbers have declined over the course of this legislative session," said Dean Debnam, President of Public Policy Polling. "But he still looks like a pretty clear favorite over any of the Republicans contemplating the race."

Voters support the legalization of same-sex marriage by a 49%-45% margin. Only 36% approve of the job DFL legislators are doing to 49% who disapprove. Minnesotans dislike Republican legislators even more, at 23% positive to 59% negative. The DFL leads the Republicans on the general legislative ballot by 47% to 41%.

Minnesotans favor paying back the school shift as soon as possible by a margin of 50% to 13%. However, 44% think not raising taxes is more important than quickly paying back the school shift. 50% of Minnesota voters oppose allowing in-home child care providers to unionize, to only 31% who support letting them do so. A majority, 54%, support raising the minimum wage to \$9.50 per hour, compared to 37% who are against that proposal.

PPP surveyed 712 Minnesota voters from May 17-19, 2013. The margin of error was +/- 3.7%. This poll was not authorized or paid for by any campaign or political organization. PPP's surveys are conducted through automated telephone interviews.

Minnesota Survey Results

Q1 Do you approve or disapprove of Governor Mark Dayton's job performance?

Approve49% *Not sure* 4%
