Obama a lock in Oregon

Raleigh, N.C. – Once a close swing state, Oregon now appears set to give its 7 electoral votes once again to Barack Obama by a wide margin. Oregon is hardly in love with the sitting president, with only 49% approving and 45% disapproving. Fewer Democrats approve, 80-16, than Republicans disapprove, 11-85 and independents split down the middle 44-45. However, in a familiar pattern, Oregon likes the Republican candidates a lot less and doesn't hesitate to choose Obama.

Obama won Oregon 56-40 in 2008 and could expand on this margin if the GOP nominates one of its weaker candidates. Obama leads GOP frontrunner Mitt Romney 50-38, Michele Bachmann 53-35, Tim Pawlenty 52-34, Herman Cain 53-32, and Sarah Palin 57-35. Obama holds his base, with 10% or fewer Democrats crossing over in each matchup. On the other hand, Obama's support among Republicans is always in the double digits and reaches 19% in a matchup with Palin. Obama wins independents handily by double digits against everyone but Mitt Romney for whom independents side with the president by only 5 points.

As Oregonians have gotten to know the prospective Republican candidates, they don't like what they see. The most popular Republican is Bachmann who garners a 30-40 favorability rating. She is followed by Cain at 19-31, Romney at 31-47, and Pawlenty at 19-37. Without Newt Gingrich, Palin once again takes her place at the bottom with a miserable 31-63 rating. Both Pawlenty and Cain have room to grow as 44% and 50% of voters respectively have not yet formed an opinion of them.

“Oregon joins states like Washington, Wisconsin, and Minnesota that we have polled recently and found looking a lot more like their 2008 Democratic blow outs than their 2000/2004 swing state status,” said Dean Debnam, President of Public Policy Polling. “Not really needing to worry about those states gives Obama the opportunity to try to expand the map again, as he did in his first campaign.”

PPP surveyed 701 Oregon voters from June 19th to 21st. The margin of error for the survey is +/-3.7%. This poll was not paid for or authorized by any campaign or political organization. PPP surveys are conducted through automated telephone interviews. PPP is a Democratic polling company, but polling expert Nate Silver of the *New York Times* found that its surveys in 2010 actually exhibited a slight bias toward Republican candidates.

Oregon Survey Results

Q1 Do you approve or disapprove of President Barack Obama's job performance?

Approve 49%
Disapprove..... 45%
Not sure 6%

Q2 Do you have a favorable or unfavorable opinion of Michele Bachmann?
